SUMMARY

I am an undergraduate passionate about using computer science to build innovative, practical solutions. I am always open to challenges and love meeting new people and working in dynamic environments. I believe that I possess excellent self-management skills. I thrive under pressure by adapting to dynamic challenges, taking my self out of the comfort zone.

EXPERIENCE

- **Cut and Dry Inc.**  November 2023 - January 2025
Intern Software Engineer  Hybrid
 - Trained and contributed to machine learning and backend development projects. Worked closely with FastAPI, Flask, Large Language Models, LangChain, Llama-Index and Weaviate.
 - Worked in the AI/ML team along with the FSA team building Machine Learning based solutions. Used AWS services such as Sagemaker, EC2, S3, Cloud Watch and frameworks such as langchain and weaviate.
 - Worked in the QA team automating test cases using Selenium.
- **Department of Computer Science & Engineering, University of Moratuwa** June 2024 - Dec 2024
Teaching Assistant - Data Communication & Networking On-Site
 - Facilitated lab sessions for third-semester students under the guidance of Dr. Sunimal Rathnayaka.

EDUCATION

- **University of Moratuwa** 2022 - Present
BSc Eng Hons, Computer Science & Engineering Katubedda, Sri Lanka
 - Specializing in Data Science Engineering
- **Royal College - Colombo 07** August 2019
G.C.E. (A/L) Examination Sri Lanka
 - 3A Passes - Physical Science Stream
- **Royal College - Colombo 07** December 2016
G.C.E. (O/L) Examination Sri Lanka
 - 9A Passes - Including Business Studies, English Literature and Design & Electronics Technology

PROJECTS

- **Vishing Attack Detecting Application - Final Year Project** July 2024 - Present
Tools: Python, Pretrained LLMs, Linphone, Asterisk 
 - A solution in order to detect and alert the end users about potential scams in real time by analyzing the call content.
 - Developing models using transformer architecture, LSTMs, SVMs, and pretrained models like Wave2Vec.
 - Using linphone and asterisks for VOIP conversation handling.
- **TourAcross - Sri Lanka Tourism App** May 2024 - September 2024
Tools: React Native, Django, SQLite, Google BART APIs 
 - Built an AI-powered mobile app to help foreigners easily navigate Sri Lanka.
 - Led backend development and API integration to enhance application functionality.
- **Natural Language to SQL Solution** May 2024 - July 2024
Tools: React, FastAPI, T5 Small 
 - Developed an application to convert natural language prompts into SQL commands.
- **Optimized Server Management using SageMaker** March 2024 - April 2024
Tools: Amazon SageMaker, Python, Boto3, Docker
 - Designed an optimized server management solution using Amazon SageMaker to efficiently handle high computational tasks triggered on-demand, reducing EC2 server resource wastage.
 - Developed a Dockerized workflow, integrated with Amazon ECR and CloudWatch, to create, execute, and manage SageMaker instances via Python and Boto3 for task automation.
- **Brain Tumor Detection Tool using ANN** January 2024 - March 2024
Tools: Flask, React, ANN, K-means Clustering, SVMs
 - Built an application using Flask and React to detect and classify brain tumors using ANNs, K-means clustering, and SVMs.
 - Processed MRI images as input, converting them to image tensors for classification.

SKILLS

- **Programming Languages:** Python, Java, C++
- **Technical Fields:** Machine Learning, Natural Language Processing, Large Language Models, Full Stack Development, Quality Assurance
- **Database Systems:** MySQL, SQLite, Weaviate
- **Tools & Services:** AWS, Git, CircleCI, Selenium, Hugging Face
- **Frameworks:** FastAPI, Flask, Django, Sagemaker

CERTIFICATIONS

Machine Learning for Natural Language Processing	AWS
Introduction to Large Language Models	Google Cloud Training
Supervised Machine Learning: Regression and Classification	DeepLearning.AI
Intro to Machine Learning	Kaggle
AI for Everyone	DeepLearning.AI

LEADERSHIP EXPERIENCE

- **Department Batch Representative - CSE 20 Batch** June 2024 - Present
Department of Computer Science & Engineering
 - Served as the final year batch representative, collaborating closely with the CSE staff to represent the interests and concerns of the 200 students in the CSE 20 batch.
 - Spearheaded the successful revival of "CSE Hit the Grounds" after a 5-year hiatus and played a pivotal role in organizing "CSE Careers Day 2025," ensuring its success.
- **Local Committee President** February 2023 - January 2024
AIESEC in University of Moratuwa 
 - Led an organization of 300+ members, gaining expertise in governance, strategy, financial management, and partnership building while facilitating 60 life-changing experiences for individuals from foreign countries by involving them in various volunteer projects and internships in Sri Lanka.
 - Achieved the "Most Outstanding Local Committee" award of AIESEC in Sri Lanka.
 - Recognized as the "Most Progressive Entity" of AIESEC in Sri Lanka.
 - Awarded the "A2025 Award" for the best-performing entity in the Asia Pacific Region.
- **Manusath Handa - Project Co-Chair** February 2022 - July 2022
Rotaract Club of University of Moratuwa
 - Manusath Handa is a project which focuses on creating educational materials for blind students in Sri Lanka.
 - Was responsible for creating audio books and communicating with schools for blind students in Sri Lanka.

SPORTS AND ACHIEVEMENTS

- **MORA Athletics** 2023 - 2024
University of Moratuwa
 - Competed in Inter-University Games 2024, participating in 1500m and 800m events. Achieved 8th place in the 1500m event.
 - Represented in SLUG 2023, in the 5000m event.
- **MORA Road Race** 2023
University of Moratuwa
 - Participated in SLUG 2023, representing in the 10,000m event.
- **Royal College Air Cadet Wing** 2015 - 2019
Royal College - Colombo 07
 - Received 3rd Year Service Recognition at the Annual Colours Awarding Ceremony in 2019.
 - Served as a Corporal in the National Cadet Corps, Sri Lanka.
 - Secured All Island 17th position in the Herman Loos Challenge Trophy in 2018.
 - Participated in Air Cadet Assessment Camps in 2018, 2017, and 2016 at NCC Training Center - Rantambe.
 - Participated in Army Cadet Assessment Camps in 2016 at NCC Training Center - Rantambe.
 - Represented at the Independence Day Parade at Galle Face in 2016.

ADDITIONAL INFORMATION

Languages: English (Fluent), Sinhala (Native) **Interests:** Hiking, Calisthenics, Chaos Theory, Literature, Finding Solutions to real world issues using technology
